

The fight against bacteria has a new face

Aqium - new look, same great formula.

We all know that our hands come into contact with millions of bacteria everyday, but did you also know that touching transmits 80% of infections.¹

Alcohol based hand sanitisers help reduce the risk of infection and prevent the spread of disease.

- Aqium is a quick and convenient way to sanitise hands.
- Aqium kills germs fast and air dries quickly. No washing, rinsing or towel drying is required.
- Aqium contains vitamin E and pro vitamin B5 to help prevent dry skin.
- Aqium is designed to leave hands refreshed, moisturised and hygienically clean.
- Aqium is Australian owned and made.

Available in three sizes:

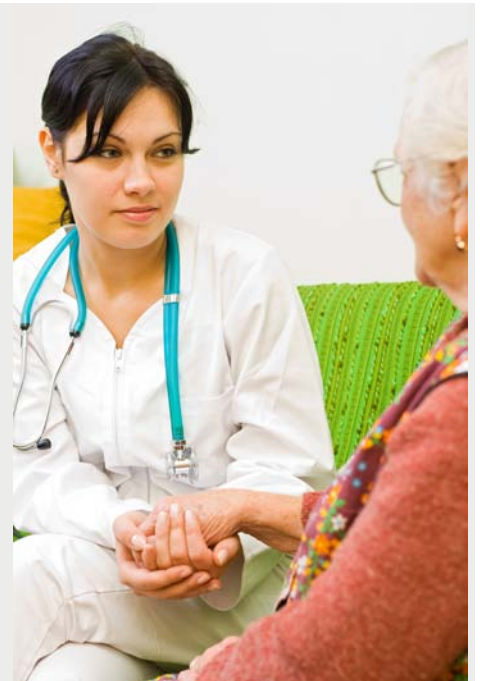

60 ml Purse Pack

375 ml Pump Pack

1 L Pump Pack

Care with Confidence

(Aqium is TGA Registered)
