

# PLASTIC FREE CHLORHEXIDINE WIPES

## FEATURES

- Alcohol-free / fragrance-free
- Latex free
- Can be used warm or cold
- Suitable for hands and body

## QUANTITY

- Softpack 10 wipes.

## INGREDIENTS

Water, Chlorhexidine gluconate, Propylene glycol, Glycerol, PEG-7 Glyceryl cocoate, Lactic acid (as needed for pH control).

## INSTRUCTIONS

This pack size enables each body part to be cleaned effectively without using the same wipe on more than one body part.

Gently rub wipes in a circular motion.

## DESCRIPTION

CleanLIFE Medical Chlorhexidine Wipes are designed as a skin-cleansing wipe for pre-admission and in-patient use. They provide a single step clean that kills harmful bacteria on the skin.

## SAFETY DIRECTIONS

This material is hazardous (eye damage category 2A, chronic hazard to the aquatic environment category 2). Do not use above the neck.

Keep out of reach of children, read carefully and follow all instructions. Wash hands, face and all exposed skin thoroughly after handling. Avoid release to the environment, wear protective gloves/protective clothing including eye/face protection.
